Not in terms of tribal consultation specifically. We sent formal invite letters to consult but never received a response back. We did obtain a tribal chairperson signature on a multi-party Programmatic Agreement for NHPA 106 compliance for this permit, but there was never any real consultation process.

Hi Douglas –

Victoria mentioned that Jason worked on the UIC area-wide permit on U&O. Are there any lessons learned from that worth sharing?

Thanks,
Suzanne

Hi Suzanne: I believe Valois and I will try to sit in for at least part of this call. We don't have a lot of experience to share to date on this (and Sadie agrees), but we may gain more from listening to those with more experience about how to approach the tribes that could better inform how to consult on Dewey Burdock.
